

(Translation:)

Cellcom

### Merit certificate

Granted to Shmulik Liebermann

For your very professional and devoted participation in the dedications project development, a project that was entirely developed by the engineering department according to spec by "new-media", and launched successfully.

Well done.

September 2002

--- Nimrod Ben-Tov

Assistant director general for [cellular] network engineering and operations

--- David Swarzmann

Manager of Advanced services engineering department
